

What is an Individualized Graduation Plan (IGP)?

Once a year, students will meet with their guidance counselor for their Individualized Graduation Plan meeting. At this meeting, the following will be discussed:

- The student's post high school graduation plans (i.e., plans to achieve an Associate or Bachelor's degree, entering the armed forces, seeking industry certification, finding employment, etc...).
- A 9th through 12th grade outline of classes that students should take, including core academic classes required for graduation and electives.
- Out-of-class learning opportunities that students may want to pursue, such as job shadowing and/or joining student organizations and clubs.
- The student's chosen career cluster. Students will be given an opportunity to choose one of the 16 career clusters offered at Woodruff High School.
