Destiny Library Catalog - Found on the WHS Media Center Page under DISCUS

Select Woodruff High School

Click on the catalog tab to search for internet sources.

Click on the WebPath Express Tab on the menu on the left side of the page

Do a keyword search for “invasive species”, “invasive plants” or “invasive animals”.

The list of results have been picked and evaluated by a professional and found to be trustworthy material.

Browse the page and for each entry you will find the site name, explanation of what you will find and address. Note the topic to find additional search terms.

Alternate search terms or key words:

Invasive plants

Invasive animals

Introduced plants

Introduced animals

Animal introduction

Plant introduction

Alien plants

Alien animals

Non-native species – plants – animals

Exotic species – plants – animals

DISCUS – Science Reference Center

Use the search box at the top and type “invasive species”.

In the left hand menu be sure to check the “full text” box and also to check out the different topics under Subject.
